

Cleaning Guide

Pattern: Echo II

Color: Spring

Product Number: 09172986

Content: 100% Polyurethane / PVC Free

W General Recommendations

- Clean with water based foam or cleaner
- Do not saturate with liquids
- Do not get the furniture wet

Regular Maintenance

- Clean monthly with a clean, soft, colorfast, damp, soapy cloth or sponge and rinse with clean water

Stain Treatment and Spot Cleaning

A professional cleaning service is recommended

Treat stains quickly

- It will become increasingly difficult to remove the longer a stain is allowed to set
- Pretest any cleaning method or agent in a small hidden inconspicuous area
- Several less concentrated applications are less damaging than one concentrated application

Remove fluids immediately by blotting with a clean, colorfast, absorbent cloth

Flush stain with water and dry with clean cloth

Remove solid or semi-solid substances

- Using a flat object, remove as much of the stain as possible
- After removal, vacuum thoroughly using the proper attachments before cleaning with an agent

Abrasive household cleansers and steel wool should be avoided

Bleach Cleanable

To disinfect spray a 4:1 ratio water/bleach mixture on the fabric and allow to linger for the time specified by the Centers for Disease Control and Prevention.

Cleaning Guide

Rinse all cleaning agents thoroughly with water and wipe with a soft cloth

- Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.

The cleaning recommendations above are a guide to help in the maintenance of Momentum Textiles fabrics. They are supplied without warranty, representation or inducement of any kind, including, but not limited to, the implied warranties of merchantability and fitness for particular use or purpose.
